The Arboga Municipal Authority offers early help to families with children.

How does it work?

- Talk to the staff at the preschool or at the Children's Health Care Centre or contact us directly. The contact information is on the back page.
- We meet once or twice to talk about the help which you need and the help which we can provide.
- If you are still interested in help, we can help you to make an application for help.

What can we help you with?

- Routines
- Parental strategies
- Interaction with the child
- Setting limits
- Cooperation between parents
- Private talks with both children and parents

All our work is confidential and our working hours are on weekdays from 8.00 am to 17.00 pm
